

Download Amplified Bible Compact

Amplified Bible - AMP . The Amplified Bible is a Literal Equivalent translation that, by using synonyms and definitions, both explains and expands the meaning of words in the text by placing amplification in parentheses, brackets, and after key words. The Lockman Foundation has been our gracious host for over 15 years. They provided this venue with the same objectives that resulted in their superb Bible translations: The Holy Scripture, divinely inspired, is the only sufficient, certain, and infallible rule of all saving knowledge, faith, and obedience. Ideal take-along size with protective snap flap.
