

Download Antique Ordnance Identification Guide

Heavy Ordnance. We would be glad to answer any questions about the items we offer. We prefer you ask by e-mail so we will have time to pull items before answering, or check with the owner if they are consignment pieces. U.S. and Related Sword Identification updated February 25, 2008: Help us keep this Identification Service alive. Visit our Shopping Site pages and buy from us direct or visit our Books for Sale pages and buy research materials from one of our affiliates. The M1905 Bayonet was one of the U.S. most widely used bayonet. It was used in both WW1 and WW2. It was originally designed to fit the M1903 Springfield Rifle. Ordering information. Please confirm availability of the item before you send me money. Each item is a historical antique uniquely described, these are not "stock" supply of generic items, so if somebody has already asked me about an item, it may be committed before the "Sale pending!"
