

Download Arc Welding Instruction Course Lectures

The welding program prepares students for employment, including apprenticeship, in many industries, including aerospace, maritime, energy, construction and transportation. Students build skills across multiple processes, receiving training from Certified Welding Inspector (CWI) faculty. One of only two Washington colleges accredited by the ...We would like to show you a description here but the site won't allow us.CDEC - Child Development Early Childhood. CDEC 1354 - Child Growth and Development; CDEC 1358 - Creative Arts for Early Childhood; CDEC 1411 - Educating Young ChildrenFounded in 1971, the Career Center offers programming for both high school and adult students of Addison County in Vermont. The majority of our high school students come from Middlebury, Mount Abraham, and Vergennes.
