Most don't even know a legal system where UK law is supreme over the EU. The more brilliant the lawyers, the more versed they are with the more arcane and technical aspects of the EU legal ... Information courtesy of The British Information Services The Law Although Britain is a unitary state, England and Wales, Scotland and Northern Ireland all have their own legal systems, with considerable differences in law, organisation and practice. The Mayor of London Boris Johnson waded into the controversial 'in or out' debate yesterday with a column in the Telegraph entitled 'Britain's own legal system should trump the one sitting ...
