The first international organization which the Israeli government joined was the International Wheat Council, established as part of Point Four Program in early 1949. Historical negationism or denialism is an illegitimate distortion of the historical record. It is often imprecisely or intentionally incorrectly referred to as historical revisionism, but that term also denotes a legitimate academic pursuit of re-interpretation of the historical record and questioning the accepted views. The scientific system of philosophical, economic, and sociopolitical views that constitutes the world outlook of the working class; the science of the cognition and revolutionary transformation of the world, the science of the laws of development of society, nature, and human thought, the...
