

Download Coming Down The Zambezi

Cruises on Lake Kariba - Located in Zimbabwe is the world's third largest man-made lake. Situated about halfway down the magnificent Zambezi River and approximately 90km after it spills over the magnificent Victoria Falls. Our second river day bring the Down River Race, an endurance event starting in the eddy at the boiling pot, rapid number one and ending at the top of the gorge at rapid number 10 with your boat, with number 9 being a mandatory portage for all competitors. Lodges | Zambezi Cruise & Safaris offer small, intimate cruises that traverse the entire 270 kilometres of Lake Kariba in Zimbabwe as well as a selection of the finest safari lodges/camps and mobile operators in Mana Pools, Hwange National Park and Victoria Falls. World Heritage Site, Core Area of the Middle-Zambezi Biosphere Reserve, Important Bird Area, and one of the wildest of Zimbabwe's National Parks, situated in the extreme north of the country.
