This is a list of notable encyclopedias sorted by branch of knowledge. For the purposes of this list, an encyclopedia is defined as a "compendium that contains information on either all branches of knowledge or a particular branch of knowledge." The Devil's Dictionary is required reading for the student of sarcasm and humor. It was written by a bitter intellectual, at a time in history when North America had its share of major problems and the rest of the world was getting closer to facing disasters of every type.
