Rare, medium or done? A Western history of definitions & preferences According to the Oxford English Dictionary, the word "rare," counterbalancing "done" describing the doneness of meat, descends from the word "rear," meaning imperfectly cooked or underdone. The 1940s were all about rationing, protein stretching, substitutions, rediscovering "grandma's foods", and making do with less. Home cooks made sugarless cookies, eggless cakes, and meatless meals.
