John Benjamins Publishing Company is an independent, family-owned academic publisher headquartered in Amsterdam, The Netherlands. ...More. Group work is a widely known, but not always properly exploited language teaching strategy. Carefully planned, it may be successfully used in language classes; resulting in better learning, bonding, solidarity and, even, individual self-confidence. New evidence is presented that modifies Lenneberg's (1967) proposed critical period of language acquisition. The development of lateralization is complete much earlier than puberty and is thus not a barrier to accent free second language learning by adults.
