- Child can offer ideas pertaining to the topic that will be discussed based on the clues provided - Child can sit without touching others (maintaining personal space) Explore Michelle !'s board "Curiosity corner". | 142 people on Pinterest are using Curiosity corner for more ideas about Classroom, Learning, Preschool. I have been using Curiosity Zone's curriculum in conjunction with my own curriculum for 3 years. Not only are the classes both fun and challenging to teach, but Mary and her team were able to provide direct feedback and ideas for adjusting the classes to meet my needs. Curiosity Corner Nursery School (CCNS) is a play-based preschool where children learn through play. We provide an age-appropriate curriculum which offers children the chance to learn, discover and investigate through various centers around the classroom.
