

Download Curriculum: Quest For Relevance

Story is the perfect package of ideas wrapped with emotion. Story catalyzes the development of affinity, the examination of behavior, the understanding of motives, and the ability to have new experiences through the experiences of others. Relevant and engaging content. When learning shifts from content consumption to discovery, new curricular materials are needed. Quest Forward Learning uses “quests”—well-structured projects with curated, relevant resources—to enable students to discover knowledge and practice skills.¹

CHAPTER 1: CURRICULUM AND RELIGIOUS EDUCATION The principal goal of education is to create [people] who are capable of doing new things, not simply of repeating what other generations have done – (people) who are creative, inventive discovers. International Women’s Day on March 8th, is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.
