The Dictionary of Sea Painters of Europe and North America by E. H. H. Archibald in its 2000 edition contains over 1000 photographs of ship paintings from the 16th Century through the 20th Century along with short bios of the artists who painted them. There is an emphasis on paintings from the days of sail. The book is a beautiful, well printed volume and a handy reference guide. Note: Citations are based on reference standards. However, formatting rules can vary widely between applications and fields of interest or study.
