Steven Johnson Where good ideas come from People often credit their ideas to individual "Eureka!" moments. But Steven Johnson shows how history tells a different story. Guide dogs are like politicians or Santa Claus: it's a bit hard to imagine them as babies. But while I've never had a playpen of MPs crawling around my living room (promise...), I can't say the ...Every profession has its pitfalls. Doctors, for example, are always being asked for free medical advice, lawyers are asked for legal information, morticians are told how interesting a profession that must be and then people change the subject fast. Flirting is much more than just a bit of fun: it is a universal and essential aspect of human interaction. Anthropological research shows that flirting is to be found, in some form, in all cultures and societies around the world.
