Print The Sam Capra Series Sam Capra is a brilliant CIA agent, loving husband, and soon-to-be father. But in one horrifying moment in London, he loses everything that matters to him. DOWNFALL is the third book in the Sam Capra series and begins with ex-CIA agent, Sam, living in relative peace, working for The Round Table and enjoying his cover life as owner of a chain of bars across the States. When this latest Sam Capra character thriller was recommended, I saw it was the third in the series, so I started with the first one. A great series, with Downfall not being a disappointment at all. The characters are super, with the twists and turns of the plot adding to the enjoyment. Buy Downfall: Sam Capra, Book 3 by Jeff Abbott (ISBN: 9780751547887) from Amazon's Book Store.
