

# Download Dresser Td 20 Operator Manual

I just purchased a 1978 or a 1974 TD15C. Will 10W-20W universal hydrolic fluid work in this machine. I have the manuals and it says I.H. PMS B26-0006 I called a dealer in Tulsa,OK and he says they no longer make that oil.Find your Misc. Tractors tractor manual and other items and parts for the Misc. Tractors tractorsIts an International Harvester TD-7 series C with Full Power Shift and D-206 diesel engine. I know from reading the datasheet that the AW32 is good and even better for the hydraulics as it is a hydraulic oil with additive to extend the gear pump life.At the company where my dad used to work they had a TD25 not sure of the letter and on the same job they had a newer D8, Mid 90's or so. The guys got a little bored and put them blade to blade and pushed.
