Feminist theory is the extension of feminism into theoretical, fictional, or philosophical discourse. It aims to understand the nature of gender inequality. Literature. Children's literature; Effects on society; Equality; Female education; Female genital mutilation; Femicide; Feminism in culture; Feminist movement One of the first things you see in the new Hulu series "Shrill," an excellent and surprising adaptation of feminist writer Lindy West's 2016 memoir, is star Aidy Bryant's body. In her time at Facebook, Losse saw the ideas behind Lean In take root. The book's goals become legible when understood to be as informed by Silicon Valley business tactics as by feminism.
