

Download Early Celtic Art In Britain

Celtic art is associated with the peoples known as Celts; those who spoke the Celtic languages in Europe from pre-history through to the modern period, as well as the art of ancient peoples whose language is uncertain, but have cultural and stylistic similarities with speakers of Celtic languages. What Was the First Style of Celtic Art? The earliest true Celtic idiom in the area of arts and crafts was the Hallstatt culture. This derived from the type-site situated in Salzkammergat (a salt mine region), near the village of Halstaat in Austria, and lasted from roughly 800 to 475 BCE. Although Celtic Metalwork in the Christian Era. As Christianity spread to Ireland during the collapse of the Roman Empire (c.300 CE onwards), the country's geographic isolation and freedom from colonization by Rome provided a breathing space for cultural and spiritual development. The British Iron Age is a conventional name used in the archaeology of Great Britain, referring to the prehistoric and protohistoric phases of the Iron Age culture of the main island and the smaller islands, typically excluding prehistoric Ireland, which had an independent Iron Age culture of its own. The parallel phase of Irish archaeology is ...
