

# **Download Early Learning: Puppy All The Year**

You will be training your puppy from the moment you bring it home and start to house train. Puppies start learning from birth. Good breeders begin handling and socialization from birth. Some training can begin as soon as the puppy can open its eyes and walk. The first year of your puppy's life is going to be a lot of fun, happiness, and bring many laughs. The first year is where a lot of changes happen for your growing puppy. This is a relatively short time frame compared to humans who take years to get to adulthood. Simply visit Sponsor a Puppy and choose one or more of the guide dog puppies available to sponsor and complete your details online! You'll then be helping to fund the training of a guide dog puppy, until he/she is matched with a future owner. Puppy Development Stages. The most important time in a puppy's development is during the first year, especially during the first 4 months of life.
