

Download Economic Intelligence And National Security

The National Security Intelligence (Bengali: ?????? ?????????? ??????????), commonly known as the NSI, is the principal ...The National Security Council (NSC) (IAST: R????r?ya Surak?? Pari?ada) of India is an executive government agency tasked with advising the Prime Minister's Office on matters of national security and strategic interest. Today, information must be considered as a source of energy, like oil and gas, albeit an immaterial form of energy. The easy access of economic intelligence creates opportunities as well as threats. The national intelligence machinery has the three Intelligence and Security Agencies, SIS, GCHQ and MI5 at its heart, with important work also carried out by Defence Intelligence and the Joint Terrorism Analysis Centre.
