\*\*\*Download FREE DIGITAL EDITION on this page\*\*\* This is the official full 889-page report by the President's Commission on the Assassination of President Kennedy, unofficially known as the Warren Commission, about the assassination of President John F. Kennedy on November 22, 1963. The Federal Reserve dropped the federal funds rate to near zero during the Great Recession to bolster the U.S. economy. Allowing the federal funds rate to drop below zero may have reduced the depth of the recession and enabled the economy to return more quickly to its full potential. The Trilateral Commission was founded in 1973 by David Rockefeller, Zbigniew Brzezinski, and others in order to foster cooperation between the U.S., Europe, and Japan in shaping governmental and non-governmental action to renovate the international system shaped after World War II. Orrenius is a labor economist working on regional economic growth and demographic change. She manages the regional and microeconomics group in the Dallas Fed Research Department, is executive editor of the quarterly publication Southwest Economy and co-edited Ten Gallon Economy: Sizing up Economic Growth in Texas (2015, Palgrave MacMillan).
