

Download Elevator Apprenticeship Test

Post-Test Interview. Two or more members of the Joint Apprenticeship Committee (JAC) will conduct your interview. At least one of your interviewers will be associated with the International Union of Elevator Constructors, and at least one other interviewer will be employer-oriented. By: Jennifer Feldman. Elevator contractors, installers, and repairers are some of the highest-paying professions in the trade industry. According to Forbes, these professions earn more money annually than most other trades. Greetings from Lansing, Michigan. Home to the International Union of Elevator Constructors Local 85. We are Mechanics, Apprentices and Helpers that build, maintain, repair and modernize elevators, escalators and other vertical transportation equipment in Michigan. The National Elevator Industry Educational Program (NEIEP) is a joint labor-management educational trust fund serving the International Union of Elevator Constructors (IUEC) and the employers who employ its members.
