

Download Emotional Dependency

After a break up, you are now left with time to evaluate your relationship. You may soon realize that you are more emotionally dependent on your ex than you thought. The concepts of neediness and emotional dependency have negative connotations in our culture; when it comes to psychotherapy, many people (especially those who've never had any kind of treatment) take a very dim view of clients who come to depend "too much" upon their therapist. Contents[show] History Origin The Emotional Electromagnetic Spectrum is an energy field that is fueled by the emotions of all sentient beings. Inadvertently, sentient beings channeled and created seven unique forms of energy based on their emotions, with a certain color unique to the emotion... This disambiguation page lists articles associated with the title Dependency. If an internal link led you here, you may wish to change the link to point directly to the intended article.
