He conceived this grand project, no less than a complete history of the English speaking peoples; from our island origins to world domination, as a means of making that living. From the outset it was intended to be a best seller, and as such had to read as a great story rather than as a dry history. He conceived this grand project, no less than a complete history of the English speaking peoples; from our island origins to world domination, as a means of making that living. From the outset it was intended to be a best seller, and as such had to read as a great story rather than as a dry history. About A History of the English-Speaking Peoples "This history will endure; not only because Sir Winston has written it, but also because of its own inherent virtues - its narrative power, its fine judgment of war and politics, of soldiers and statesmen, and even more because it reflects a tradition of what Englishmen in the hey-day of their ...
