Facilitating learning and change in groups and group sessions. Just what is facilitation, and what does it involve? We explore the theory and practice of facilitation, and some key issues around facilitating group sessions. A facilitator is someone who engages in facilitation—any activity that makes a social process easy or easier. A facilitator often helps a group of people to understand their common objectives and assists them to plan how to achieve these objectives; in doing so, the facilitator remains "neutral", meaning he/she does not take a particular ...What We Do.
