

Download Feminine Consciousness In The Modern British Novel

Dorothy Miller Richardson (17 May 1873 – 17 June 1957) was a British author and journalist. Author of *Pilgrimage*, a sequence of 13 semi-autobiographical novels published between 1915 and 1967—though Richardson saw them as chapters of one work—she was one of the earliest modernist novelists to use stream of consciousness as a narrative ...The English language has gender-specific personal pronouns in the third-person singular. The masculine pronoun is he (with derived forms him, his and himself); the feminine is she (with derived forms her, hers and herself); the neuter is it (with derived forms its and itself).New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or ...Novel - Types of novel: For the hack novelist, to whom speedy output is more important than art, thought, and originality, history provides ready-made plots and characters. A novel on Alexander the Great or Joan of Arc can be as flimsy and superficial as any schoolgirl romance. But historical themes, to which may be added prehistoric or ...
