

Download Forgotten Partnership : U.s. - Canada Relations Today

The strengths of this very good book are its historical perspective and its broad international context, avoiding the parochialism characteristic of some writing on Canadian-American relations. One interesting theme is that American initiatives for greater economic integration stimulate Canadian initiatives for autarky and vice versa."Doran, director of the Center of Canadian Studies at Johns Hopkins, has written an excellent analysis of the Canada-U.S. partnership. Using three dimensions of analysis, the political-strategic, the trade-commercial, and the psycho-logical-cultural, he closely examines the Canadian Energy Policy, the law of the sea, the environment, and ...Forgotten Partnership book.
