National accounts or national account systems (NAS) are the implementation of complete and consistent accounting techniques for measuring the economic activity of a nation. Dear Drebit is the business blog of Ohio Accounting Firm and Ohio CPA firm REA & Associates. We are legacy Canadians with deep multi-generational roots in this country's economic and social mosaic. Just as many of us are new Canadians for whom risk-taking is a hard-wired component of our DNA. Some believe that the Cold War ended in 1991, when the Soviet Union fell apart. In retrospect, many observers also believe that a golden opportunity was missed to heal the wounds inflicted by over 45 years of hostility between the Washington and Moscow.
