

# Download Germany After The First World War

During World War I, the German Empire was one of the Central Powers that lost the war. It began participation in the conflict after the declaration of war against Serbia by its ally, Austria-Hungary. The World War II German air force — the Luftwaffe — was a force to be reckoned with. It can be argued that the last six months of World War II in Europe saw a calculated battle of attrition in which the Allies pitted large numbers of good aircraft and well-trained crews against smaller numbers of advanced [...] World War I (often abbreviated as WWI or WW1), also known as the First World War or the Great War, was a global war originating in Europe that lasted from 28 July 1914 to 11 November 1918. Feature Articles - The Causes of World War One. June 28 in Sarajevo. We'll start with the facts and work back: it may make it all the easier to understand how World War One actually happened.
