Centre History. Since 1989 the Northcote Heavy Horse Centre has been offering a permanent home to animals of all kinds. We offer an active, rewarding and loving form of retirement for the animals in our care, many of which enjoy taking part in our special events and hands on visitor days.heavy - Translation to Spanish, pronunciation, and forum discussionsA heavy-chain antibody is an antibody which consists only of two heavy chains and lacks the two light chains usually found in antibodies. In common antibodies, the antigen binding region consists of the variable domains of the heavy and light chains (V H and V L).Muscle contraction is the activation of tension-generating sites within muscle fibers. In physiology, muscle contraction does not necessarily mean muscle shortening because muscle tension can be produced without changes in muscle length such as holding a heavy book or a dumbbell at the same position. The termination of muscle contraction is ...
