

Download How You Can Get The Most From The New Tax Law

The 2018 tax filing season begins in late January 2019. The passage of the Tax Cuts and Jobs Act means some stark changes for tax filers and the deductions they can take. One of the most notable changes is the increase in standard deductions for individuals and married households. Tax filing season Yes, you can still deduct interest on home equity loans under the new tax law You can't deduct hobby-related expenses under the new tax law—but don't give up hope Saving on taxes is a priority for most taxpayers, especially at the beginning of the year as tax season starts to ramp up. With tax reform having become law effective as of the beginning of 2018 ...
