

# Download Infrared Optics And Zoom Lenses

Buy Infrared Optics and Zoom Lenses (Tutorial Texts in Optical Engineering) by Allen Mann (ISBN: 9780819435101) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. Preface. This tutorial is an outgrowth of my SPIE short course entitled "Infrared Optics and Zoom Lenses." The title was selected to reflect the scope of the subject matter, and this has been carried over to the tutorial. Ten years after the publication of Infrared Optics and Zoom Lenses, this text is still the only current publication devoted exclusively to infrared zoom lenses. For over a decade, Ophir Optics has specialized in designing and manufacturing lenses for Radiometric and Thermograph systems. The majority of Ophir Optics lenses are designed for Long Wave Infrared (LWIR), 8-12 microns.
