

Download Journalism In The Digital Age Theory And Practice For Broadcast Print And Online Media

Digital journalism also known as online journalism is a contemporary form of journalism where editorial content is distributed via the Internet as opposed to publishing via print or broadcast. You will study six modules in year one, providing you with a broad understanding of journalism across print, online, radio and TV mediums. You will then have the opportunity to pursue a specialised pathway throughout years two and three. Study Digital Journalism at the University of Strathclyde. We're 1st in the UK for Communication & Media Studies (Complete University Guide League Tables 2019). About the Program The Journalism program allows students to develop multimedia skills that are used in digital news reporting and storytelling across all media platforms.
