The West Highland Terrier breed is also commonly known by the names West Highland White Terrier, Westie, Westy, Potalloch Terrier, Roseneath Terrier, White Roseneath Terrier. Microchipping a dog is the process of implanting a chip under the dogs skin and registering the keepers details on a national database so that the dogs keeper can be traced. I was guessing 1920s but hoping to narrow it a bit more. There is actually only one 500 in the background of the picture. The other phones are an SC 1586, a Leich 105G, a Kellogg K500, a North 541, and an AE80. Frank "The Irishman" Sheeran (October 25, 1920 – December 14, 2003) was an American labor union official who was accused of having links to the Bufalino crime family.
