the plutocracy cartel an entrenched global elite of vast wealth has spread its tentacles over the earth wielding extraordinary power over world affairs In demographics, the world population is the total number of humans currently living, and was estimated to have reached 7.7 billion people as of November 2018. It took over 200,000 years of human history for the world's population to reach 1 billion; and only 200 years more to reach 7 billion. The following op-ed by Hanne Nabintu Herland concerns the Norwegian government's persistent soft spot for the Palestinians. It was originally published in Aftenposten, Norway's largest newspaper, on January 15th, 2013, and has been translated by the author. \*All estimates for the Arab states and Israel, with the possible exception of the states on the Arabian peninsula, are fundamentally conditioned by the policies of the United States, the United Kingdom, and Soviet powers regarding Palestine.
