

Download Marxism & The Science Of War

The simple explanation of Marxism: Marxism is a philosophy, a world-view, a system of social and economic analysis, and, it became political doctrine. Marxism is a theory and method of working class self-emancipation. As a theory, it relies on a method of socioeconomic analysis that views class relations and social conflict using a materialist interpretation of historical development and takes a dialectical view of social transformation. October Revolution; Soviet Union; Comintern; Hungarian Soviet Republic; Spanish Civil War; World War II; Cold War; Warsaw Pact; Greek Civil War; Chinese Revolution The barbaric attack on two mosques in Christchurch, New Zealand by a far-right fascist terrorist – indiscriminately shooting men, women and children, killing 50 and injuring many more, live streaming his bloody actions as he carried them out – comes at a time of deepening economic crisis and heightened social and political tensions around ...
