A-Tech Corporation d.b.a. ATA Applied Technology Associates. Applied Technology Associates (ATA), headquartered in New Mexico, provides advanced technology and products for directed energy weapons, laser communications, and space systems, specializing in inertial navigation, precision pointing and stabilization, and controls systems. The basic argument for fighters is that people think they're fun and cool. The basic argument against fighters is horizon distance. Fighters make sense in surface naval operations because a fighter can go to places where the carrier or cruiser can't.
