

Download Neighborhoods (maps & Geography Series)

Seattle, Washington contains many districts and neighborhoods. Former Seattle mayor Greg Nickels has called Seattle "a city of neighborhoods". Early European settlers established widely scattered settlements on the surrounding hills, which grew into neighborhoods and autonomous towns. Jacksonville consolidated with Duval County in 1968; as such its city limits largely match the county borders. The City of Jacksonville estimates that there are over 500 neighborhoods within this area. In addition, the greater area of Jacksonville is often divided into several large sections with amorphous boundaries. Map Web Sites; Blank Maps or Outline Maps; Map Web Sites. National Geographic: Maps and Geography You can search for Maps in their MapMachine Online Atlas but National Geographic.com also provides interactive quizzes, games, expeditions and tours as well. UB has been designated as a Center of Academic Excellence in Geospatial Sciences by two federal agencies with an interest in building the United States' expertise in the field.
