Academia.edu is a platform for academics to share research papers. Spinster is a term referring to an unmarried woman who is older than what is perceived as the prime age range during which women should marry. It could also indicate that a woman is considered unlikely to ever marry. The term originally denoted a woman whose occupation was to spin. Women in the Middle Ages occupied a number of different social roles. During the Middle Ages, a period of European history lasting from around the 5th century to the 15th century, women held the positions of wife, mother, peasant, artisan, and nun, as well as some important leadership roles, such as abbess or queen regnant.
