

# **Download On Wings Of Light : Meditations For Awakening To The Source**

Meditations 9. (published Feb. 13, 2019) Transcribed Dhamma talks on breath meditation and various aspects of the Buddhist Path given by Bhaddanta Nissara Bhikkhu during the evening meditation sessions at Metta Forest Monastery from 2015-2018. The Star Councils of Light gather in order to transmit both information and energy for the new time-line that you are entering. Each time your blessed planet completes a revolution around your Sun-Star, and recommences again, you enter not only into a new cycle of the seasons that you experience through the solstice and equinox turning ...A column of bright white light pours down through your aura and your body, instantly raising your vibration. Watch the light flowing down from an infinite source above you, through your energy, straight down into the Earth below, through the body of Gaia and into the core crystal. 11:11 represents easy access to the higher divine realms to support your ascension, expanding your consciousness, and self-healing. 11 also carries strong codes of initiation, intuition, spirituality, and enlightenment. Receiving the 11:11 codes of awakening equates to infusing your life with the
