Opening and closing times Find opening and closing times for the Gardens, attractions, cafés, restaurants, shops and car park. Opening and closing times are seasonal and vary throughout the year. Tool-less® closures are high pressure quick opening closures (QOC) supplied in the vertical or horizontal configuration. The Tool-less® is designed to be opened and closed by one person in one minute without the use of additional tools. The reason why you see so many vacancies even though more stores are opening than closing is that the footprint and locations of the stores being closed aren't suitable for the stores being opened. Tool-less Closures. Tool-less® operation is smooth and direct and even the largest unit can be opened or closed in a matter of seconds by one person.
