

Download Power Wheelchair Wiring Guide

The first decision is to determine the type of wheelchair you need. In most cases you'll have a choice between a manual (powered by the individual) or electric (wheelchair w/ external power supply). Writing a Letter of Medical Necessity for a Wheelchair Susan Christie, PT, ATP June 2015 How it works... **The photos above show one of our demonstration units. Using the EZ Lock Docking System simply requires that you guide your wheelchair into the docking base until the interfacing bracket attached to the wheelchair locks securely into place. REFERENCE DOCUMENTS TDX® Wheelchairs 2 Part No 1143150 WARNING A qualified technician MUST perform the initial set up of this wheelchair. Also, a qualified technician MUST perform all procedures in the service manual.
