The plaque that restricts the heart artery is a ticking time bomb because of the threat of sudden rupture. The body attempts to repair a tiny rupture by forming a life-threatening blood clot. The Nurtured Heart Approach® is a relationship-focused methodology founded strategically in The 3 Stands™ for helping children (and adults) build their Inner Wealth™ and use their intensity in successful ways. The Heart of Learning: Compassion, Resiliency, and Academic Success Published September 2009. About this handbook The Heart of Learning: Compassion, Resiliency, and Academic Success is a handbook for teachers written and compiled by OSPI and Western Washington University staff. The mission of the Children's Success Foundation, a 501(c)(3) non-profit educational organization, is to advance the work of the Nurtured Heart Approach®, a dynamic relationship-focused methodology that builds Inner Wealth™ in children, empowering them to channel their intensity in productive ways, ensuring their successful future.
