Electric shower 1 Products manufactured by Triton are safe and without risk provided they are installed, used and maintained in good working order in accordance with our instructions and recommendations. Triton's TTS1400 Track Saw is a compact, versatile cutting machine that can quickly dimension both sheet goods and solid stock. When used with the TTSTP Track Pack (#56987, sold separately), it provides smooth, straight cuts with almost no chipping on either face of the sheet, with the ability to cut bevels of up to 48°. Small enough to tuck neatly under your bench, yet large enough to pack a punch on top of it, Triton's TSPS450 Oscillating Spindle Sander offers smooth, burn-free sanding on arcs, curves and irregular shapes. New To The District? The Triton Regional School District serves the Massachusetts coastal towns of Newbury, Rowley and Salisbury. Located in the northeast corner of the state, these three communities provide a distinct population of students to the school district.
