Uncertainty and the Theory of International Trade: Volume 3 (Fundamentals of pure & applied economics) Hardcover – 6 Dec 2001A: International Economics I: Uncertainty and the Theory of International Trade (Volume 3) 1st Edition by E. Grinols (Author)A Theory of International Trade Under Uncertainty analyzes international trade in goods and securities in the presence of uncertainty using an integrated general equilibrium framework that recognizes the dependence of markets for goods on financial markets and vice versa. The usefulness of this approach is demonstrated by means of applications to questions such as the effects of international trade on resource allocation, tariff policy, and intervention in financial capital markets.
