

Download Wais Administration And Scoring Manual

This section provides a table organized by subtest (in administration order) that contains all commonly used verbatim prompts. Examiners may wish to lay this table on the testing surface behind the freestanding Administration and Scoring Manual during the first several WAIS-IV administrations (before the prompts have been committed to memory). The WAIS-IV A&NZ Language Adapted Edition is the industry standard test to measure adult intelligence. Language adapted for Australia and New Zealand, the WAIS-IV gives you results you can trust and the most advanced measure of cognitive ability. In recognition of emerging demographic and clinical trends, the WAIS IV was developed to provide you with the most advanced measure of cognitive ability and results you can trust when addressing the changing clinical landscape. Two options for scoring and reporting are now available on Q-global. The first option is to pay per-report. The basic model for Q-global pricing is a simple per-use fee that will vary based on the service provided (on-screen administration, simple scoring, interpretive report) and the content delivered.
