Online homework and grading tools for instructors and students that reinforce student learning through practice and instant feedback. WebAssign is proud to support the open source teaching community through our partnership with OpenStax. OpenStax's Precalculus is now enriched with WebAssign homework questions and student learning resources and is available as a low-cost option. I took the pathways courses, Math 091, Math 092 and Math 136; and this was a good class. its on a self-taught basis, and for the most part is easy to understand. I work very hard in school, but he was the worst teacher I have ever had. He never answers questions clearly and he leaves you very confused and definitely ill prepared for the BS tests he gives.
